On behalf of our staff at Calvary Christian Academy Preschool, we would like to invite your children (ages 3 - 5 years old) to an invigorating six weeks of summer fun! This summer we will be offering three super fun summer camps: Little Artists Art Camp, Little Music Makers Singing and Music Camp, and Little Chefs Cooking Camp. These camps are set up in two-week units which will not only help your family plan summer vacations, but are specifically designed to strengthen your child's learning abilities through a hands-on learning approach. Each camp will also include daily Bible times with a Bible lesson relating to the camp theme.
