## ***Dress Code Schedule***

<b>Monday</b>	Standard Uniform
<b>Tuesday</b>	Standard Uniform
<b>Wednesday</b>	Chapel Uniform
<b>Thursday</b>	Standard Uniform
<b>Friday</b>	Standard Uniform

## ***Purpose and Responsibility***

The purpose behind our dress code is to promote school unity and minimize distraction. In addition, the dress code, through its restrictions, is intended to promote self-expression through the development of individual personality rather than expression through outward appearances.

Students must wear a formal school uniform on Wednesdays, for special assemblies, on Picture Day and on field trips (unless specified otherwise by the administration or teacher).

We recognize that it is the responsibility of parents to train their children to respect authority and the rules of our school community. We ask parents to see that their children are dressed according to the Dress Code Policy of Calvary Christian Academy. Together, we hope to eliminate the need for teachers to spend valuable learning time reminding students of the Dress Code Policy.

## ***Dress Code Enforcement***

In the case of a dress code violation, teachers in the Grammar and Logic Schools will notify parents of dress code infractions via a white slip and an email.

After three violations, the student will be referred to the Principal and parents will be notified.

## From CCA Parent-Student Handbook

### 1. Dress Code

The dress code at CCA establishes a particular protocol within our school community. The CCA administration has chosen specific requirements to maintain standards within our school. Students and parents are responsible for meeting these requirements.

The dress code is designed with the following goals in mind:

- To encourage a biblical attitude of modesty and humility.
- To maintain student behavior and productivity.
- To instill in students a sense of loyalty to the school.
- To promote a positive impression of our school within the larger community.
- To make expectations as clear as possible in order to minimize the appearance of arbitrary enforcement.

In the case of a dress code violation, teachers in the Grammar and Logic Schools will notify parents of dress code infractions via a white slip and an email. Teachers in the Rhetoric School will notify parents via a conduct notice and an email. Parents may be asked to bring a change of clothes for the student.
